Descriptions of Session Types:

- **Demonstrations:** A demonstration of apparatus, series of experiments, or scientific phenomenon, with limited audience participation. Theater style setup.
- **Hands-On Workshop:** A presentation that provides audience with a hands-on experience with the materials. Classroom style setup.
- **Poster Presentation:** A prepared display of an idea, method, demonstration, or laboratory activity that can be shared one-on-one. Share-a-thon style setup.
- **Make It Take It:** Hands on activities in which something is made to take back to own classrooms. Specify cost above. Indoors or outdoors.
- **Field Trip:** Can be at Rock Springs or somewhere else. Recommend half-day limit. Include plans for transportation in the description of the field trip.
- **Contributed Paper:** An opportunity to present the results of research or share an innovative teaching idea. Theater-style setup.
- **Short Course:** A 2-3 hour session that goes into more depth on a topic and includes some hands-on experience.
