HERE TO ANSWER YOUR QUESTIONS

Bring an Ag Expert into your classroom! Ask An Expert brings K-State professors, students and alumni to you and your students virtually via Zoom, Skype, etc. Whether it’s a discussion over specific issues, Q&A session or a deep dive into a subject, your students will expand their knowledge, discover new careers and have a deeper understanding of agriculture through interactions with agricultural experts who are passionate about their subject matter!

Request a zoom or skype visit to your classroom and view a full list of topics at www.ag.ksu.edu/askanexpert.
